About Page Design

The screenshot shows the 'About' page of the Gap International website. The page has a light yellow background. At the top is the company logo, which consists of a blue square containing a white stylized 'G' shape, followed by the text 'Gap International' in a bold, sans-serif font, and 'Partners In Exceptional Growth' in a smaller, regular font below it. Below the logo is a section titled 'Transforming Organizations Transforming the World' in blue text. The main content area contains two paragraphs of black text. The first paragraph discusses the company's purpose and history. The second paragraph describes their work with various organizations and their methodologies. At the bottom of this content area is a link '- See more at: <http://www.gapinternational.com/about>'. In the bottom right corner of the page area, there is a small blue 'Back' button.

Video Page Design

In Landscape
Before login:

The screenshot shows a landscape-oriented video page. On the left, there's a sidebar titled "Videos" with a list of chapters and sections: Chapter00 (Section 1, Section 2, Section 3), Chapter01 (Section 1), Chapter02 (Section 1, Section 2, Section 3), and Chapter03 (Section 1). The main content area has a teal header with the text "For more features, please login." and a "Login" button. Below the header is a graphic of a hand holding a lightbulb above a person's head, with the text "THE LEVERAGING GENIUS CONFERENCE" and a "WATCH THE VIDEO" button. A progress bar at the bottom indicates the video is at 0:22 of 1:01. The status bar at the bottom of the screen also shows 0:22 and -1:01.

After login:

The screenshot shows the same landscape-oriented video page after the user has logged in. The sidebar remains the same. The main content area now has a "Hi, admin." message and a "Logout" button instead of the login prompt. The rest of the page, including the conference graphic, progress bar, and status bar, is identical to the before-login version.
